## Trails connect us —

to nature, to communities, and to each other.

## Trails promote health —

enhancing the environment, wildlife habitat, as well as our own happiness, health & wellness.

## Trails help the economy —

improving property values, supporting business, and providing affordable mobility.

That's why ForeverGreen Trails supports a system of trails throughout Pierce County, WA, via education, advocacy, promotion, collaboration, and stewardship.

We invite you to sponsor our events to support this important work:

### Trails & Ales

Each year our fun social mixer and discussion about increasing opportunities for outdoor recreation and active transportation.

### Pierce County Trail Days

In summer, we coordinate activities across Pierce County to engage citizens, promote healthy exercise, and foster stewardship of our beloved parks and trails.

### Pierce County Trails Conference

Each autumn, trail users, supporters, and managers gather to share best practices and celebrate accomplishments in an energizing night of networking over dinner.

### A Sound Investment

With a proven track record of leveraging millions of dollars for trails and facilitating planning processes, FGT is super effective at supporting the buildout of our region's trail network, but don't take our word for it...

# TRAILS AND ALES

Your generous support  
allows us to organize these  
annual events:

## Pierce County Trail Days 2024 Friday July 26th - Sunday July 28th

**FREE** recreation

[www.forevergreentrails.org](http://www.forevergreentrails.org)

## Pierce County Trails Conference "Trails for All: Access, Design & Programming"

September 26, 2024 5:00 - 7:30 PM

Environmental Services Building

Chambers Creek Regional Park

University Place, WA

Dinner included

Register by 9/20: [www.forevergreentrails.org/conference](http://www.forevergreentrails.org/conference)

Sponsored by:

**Parametrix**  
ENGINEERING, PLANNING, ENVIRONMENTAL SCIENCES  
**PSOMAS**

Our sponsors reach members of the  
Pierce County community who care  
about healthy activity, reducing carbon  
impacts through active transportation,  
and providing increased outdoor  
recreation access opportunities for all,  
for generations to come:

- Annual website views 2000+
- 1,000+ social media followers
- 500+ e-news recipients
- Several hundred Trails & Ales, Trail Days, and Trails Conference participants

We invite you to help us connect  
our communities with trails!
