

Trail Accelerator Program

ForeverGreen Trails partners with Foothills Rails-to-Trails Coalition, local jurisdictions, and community boosters to create and promote targeted fund drives. We provide a customized donation portal, matching funds, and a promotions campaign, plus, we certify results, and remit funds. TAP raises local match dollars and helps your grant application stand out from the pack!

**TAP is a proven
trail funding formula.
Let's collaborate!**

**Leveraged
Grant Funds**

**Local Match Funds &
Community Support**
