Trails connect us —

to nature, to communities, and to each other.

Trails promote health —

enhancing the environment, wildlife habitat, as well as our own happiness, health & wellness.

Trails help the economy —

improving property values, supporting business, and providing affordable mobility.

That's why ForeverGreen Trails supports a system of trails throughout Pierce County, WA, via education, advocacy, promotion, collaboration, and stewardship.

We invite you to sponsor our events to support this important work:

Trails & Ales

We kick off each year with fun social mixers and discussions about increasing opportunities for outdoor recreation and active transportation.

Pierce County Trails Day

For our summer celebration, we coordinate activities across Pierce County to engage citizens, promote healthy exercise, and foster stewardship of our beloved parks and trails.

Pierce County Trails Conference

Our fall event gathers trail users, supporters, and managers to celebrate accomplishments and share best practices in an energizing night of networking over dinner.
