

Throughout the year, ForeverGreen Trails engages citizens and decision-makers to help ensure a region-wide network of active recreation and mobility paths is created for all to enjoy.

Trails & Ales

We kick off each spring with a fun social mixer and discussion about increasing opportunities for outdoor recreation and active transportation.

Pierce County Trails Day

During our summer celebration, we coordinate events across Pierce County to engage citizens, promote activity, and foster stewardship of our beloved parks and trails.

Pierce County Trails Conference

Our fall event gathers trail users, supporters, and managers to celebrate accomplishments and share best practices in an energizing night of networking over dinner.

Speak Up For Trails

We train people of all experience levels to become effective advocates for trails and healthy, active lifestyles and make their voices heard in government.

Community Trails Scorecard

Our scorecard assesses trail policies and programs in local communities, recognizing accomplishments and opportunities for further improvement.

Annual Events Programs

Trails Connect Us

Trail advocacy & promotion in Pierce County

Trails connect us —
to nature, to communities,
to one another.

Trails promote health —
for the environment,
and wildlife habitats,
and for our physical and
mental wellness.

Trails help the economy —
improving property
values, stimulating
business, and enabling
affordable mobility for all.

But trails don't just happen ...

... it takes a team effort.

We invite you to join us in this important work.
You can support all ForeverGreen Trails activities
or a specific event or program (see back page).
